

FOP-2026

IIT DELHI and CSIR-NPL

SPONSORSHIP OPPORTUNITIES

25TH-28TH SEPTEMBER, 2026

The Organizing Committee invites organizations/industries/companies involved in Optical Engineering, Optical Metrology, Fiber Optics, Lasers, and Photonics in general to Sponsor/Co-sponsor FOP-2026, 25th September to 28th September, New Delhi, India. For those, who are willing to join in this partnership, it will be a great opportunity and platform to promote the products and/or services that they could offer to the rapidly growing Indian market, which has now become fully involved in the photonics revolution. A large number of scientists and researchers from abroad are also expected to register at this conference and hence the Sponsors/Co-sponsors/Advertisers would also be able to advertise their products and/ or services not only to an Indian audience but also to those from outside India through the Exhibition and the Souvenir

SOUVENIER

A Souvenir will be distributed to all participants of the conference and the short courses. In addition, it will be distributed to the invitees at the inauguration of the conference. Thus, it is expected that it will be distributed to about 500-600 scientists, engineers, technologists, managers, decision-makers, students, teachers and others involved in this technology in India and abroad. We, therefore, invite all those industries and organizations that would like to reach this select group to place advertisements in the Souvenir of the conference.

The Souvenir will be printed in A4 size (21x29 cm) and the advertisements can be given for half page or full page in colour. The artwork will have to be provided accordingly. The tariff structure for placing advertisement in the Souvenir is as follows:

Size	Colour
Full Page	30,000 INR + GST
Half Page	15,000 INR + GST
Inside Cover (front or back)	45,000 INR + GST
Back page	60,000 INR + GST
