

Support to Students

FOP2026 is offering partial financial support to *registered students* towards their travel/accommodation. The support will be to a maximum amount of Rs. 5,000. Preference will be given to **students members of the OSI and Optica**. The number of students that can be supported is limited to 50. The organizers will evolve a suitable criterion to select the awardees, if the requests are more than this number. The financial support will be given during the conference. Interested students should apply using the Google form:
